Our facilities have unmatched ability to treat the most challenging and complex medical situations. **In fact, the majority of physicians at our hospitals are Harvard Medical School-educated and trained.** Patients who visit a Partners HealthCare hospital can expect an easy, **patient-centered** process that is comfortable and efficient. Learn more about our hospitals below.

Brigham and Women's Hospital

Brigham and Women's Hospital, world-renowned in virtually every area of adult medicine, is a 777 bed teaching hospital of Harvard Medical School.

www.brighamandwomens.org

Massachusetts General Hospital

Massachusetts General Hospital offers sophisticated diagnostic and therapeutic care in virtually every specialty and subspecialty of medicine and surgery.

www.massgeneral.org

Spaulding Rehabilitation Network

As a national leader in rehabilitative care, the Spaulding Rehabilitation Network includes intensive inpatient rehabilitation and long-term acute care hospitals, outpatient clinics, and skilled nursing facilities throughout Eastern Massachusetts.
